Phuket's only mouthwatering Steakhouse

All-day informal dining at the Sea Breeze Café

Banquets catered to with style

Dining to please all tastes

Phuket is justly famous for its succulent seafood, and while you can relish this to the full at Holiday Inn Resort Phuket, you can also opt for prime US steaks, Italian favourites or authentic Thai fare.

Each of our four dining venues has its own ambience to complement perfectly the choice of menus. Besides serving one of the best buffet breakfasts on the island, Sea Breeze Café & Terrace features nightly different themed buffets or a-la-carte selections. Alternatively, Sam's Steakhouse is renowned equally for its prime beef and its wine cellar, or there's pizzas and pasta at our outdoor Pizzeria. In the Busakorn Wing, a delightfully informal restaurant offers all-day dining of international and traditional Thai dishes overlooking the pool. For private dining, room service is naturally available 24 hours.

Meeting for business or pleasure

Not only the place to relax and enjoy an island vacation, Holiday Inn Resort Phuket is also ideally equipped to cater to meetings, seminars, banquets and parties of all kinds. Our elegantly appointed function rooms provide the greatest flexibility of space to accommodate with equal ease small intimate gatherings or large receptions of up to 120 guests.

To ensure all events meet with complete success, the convenience of space is supported by audio visual equipment, expert catering and professional planning that promises a most memorable occasion.
